First Actions Checklist

1. Check that you and your family are safe and secure before you respond as an ARES volunteer.

2. Check that your property is safe and secure before you respond as an ARES volunteer.

3. Monitor **KE6YUV, BARK. Repeater- 146.970**

4. Follow the instructions you receive from the ARES officials in charge on the above frequency.

5. Contact your local Emergency Coordinator, or his/her designee, for further instructions. See Call Out Procedures for more details.

The net control station and/or ARES officials on the designated emergency net will provide additional instructions, including information on frequencies used for other resource and tactical nets. Normally, a resource net will enroll volunteers and provide information on how you can assist.

Prepare for Activation
